Patio Planter

All planters include an assortment of our top performing plant collections. Possible varieties include: Bidens- Popstar. Geraniums- (zonal or ivy)- Red and Pink. Lobelia- White and Dark Blue. Verbena- Empress Flair White. Calibrichoa- Blue, Red and Yellow. Bacopa- Blue and White. Ornamental Grasses- Juncas Blue Dart. Lysmachia. and Santivitalia- Sunvy Super Gold.

Place in a location that gets at least 5 hours of sun.

When top of the soil is slightly dry to the touch, water well until it runs out the bottom of the basket or container.

The soil is enriched with a slow release fertilizer. However, you may supplement this every two weeks with a balanced fertilizer such as our Flower and Veggie 10-15-19 fertilizer.

This assortment prefers a well draining soil. To maintain and promote growth, be sure to pinch off any flowers that are finished blooming.

Place outside when temperatures reach about 10° to 15°.
